

EXPLORING AI TOGETHER

SJSU AI FACULTY FELLOWS 2025–2026

WHO THEY ARE

- Nine faculty leaders from across San José State have been selected as the inaugural AI Faculty Fellows.
- They are advancing innovative, ethical, and practical uses of AI in teaching and learning — and they want to connect with you.
- This fellowship is supported through Adobe's Future of AI Collaboratory investment, fostering a thriving ecosystem for the future of AI in higher education.

WHAT THEY DO

- **For Students:** Providing college-specific AI literacy resources and office hours to support your learning
- **For Faculty:** Hosting workshops, events, and consultations to explore new approaches with AI
- **For the Campus Community:** Collecting and sharing real SJSU stories of AI in the classroom

GET INVOLVED

- Join us for Fellow-led:
 - ▶ Events
 - ▶ Panels
 - ▶ Innovation Sessions
- Share Your Story:
 - ▶ Tell us how you're using AI in teaching or learning.

MEET THE FELLOWS
