Frequently Asked Questions

What if I do not complete the required A-G college preparatory courses or miss a deadline?
Your admission to SJSU may be revoked and your registration canceled. Failure to submit your final high school transcripts will result in your admission being revoked, even if you have secured housing, received financial aid, registered for classes, or attended orientation.

What if I am planning to take courses required for admission during the Summer 2027 term?
You may not use coursework from the Summer 2027 term to complete admission or impaction requirements.

If I want to take the fall semester off, can I defer admission to another term?
No. Your admission is valid for Fall 2027 only, and you must enroll in at least one course during the term of admission. If you do not enroll and wish to attend SJSU in a later term, you must submit a new application for a future term for which you meet the admission requirements.

Note: Students in the military who are put on active duty orders and will miss their first day of classes must contact admissions to prevent disenrollment from SJSU.

Can I change my major?
Due to SJSU campus impaction, a change of major cannot be processed prior to the start of the term and is not guaranteed even after admission to SJSU. If you are Undeclared, you will receive more information about declaring your major during orientation.

College Transcripts (if applicable)

You will also be required to submit official college transcripts for any courses completed at a community college.

Determine
First-Year Writing and Math Course Placement

To facilitate appropriate first-year course placement, the CSU evaluates your academic preparation in two areas: written communication and math/quantitative reasoning.

The evaluation takes into account several factors, including overall grade point average, mathematics grade point average, completed terms of secondary coursework, grades in certain senior-year classes, the Reflection on College Writing, and scores on standardized tests such as the SAT, ACT, CAASPP/EAP, CLEP, Advanced Placement, Advanced Level, Advanced Subsidiary, and International Baccalaureate examinations.

Though SJSU will not consider SAT/ACT scores in our evaluation of your record for admission, please submit any available official SAT/ACT scores as they could help determine your first-year course placement.

First-Year Writing Course Placement

First-Time, First-Year Students entering SJSU will complete an online Reflection on College Writing exercise to explore writing at SJSU and to choose the course they need. The online exercise is offered through Canvas (SJSU's online course tool) and will be available at the beginning of June. Be alert for emails and MySJSU messages about the Reflection on College Writing. To ensure that you will be able to register for your first-year writing course during Sparta Camp, complete all modules in your Reflection on College Writing at least two weeks prior to your orientation session. Messages and emails will be posted if there are sections that are not fully complete; be sure to monitor MySJSU and your @sjsu.edu email account.

For more information about the Reflection on College Writing, please visit sjsu.edu/english/frosh

First-Year Math Course Placement

Your math placement is dependent upon your major and your enrollment category. You can confirm your major by reviewing your admission letter. To determine your math course placement, please complete the following:

- Determine if your major requires calculus by viewing the "Majors Requiring Calculus (STEM)" list at sjsu.edu/supportedinstruction/first-year-course-placement/ppa.php
- If your major requires calculus, please review the Precalculus Proficiency Assessment section below

-AND-

- Identify your math enrollment category by navigating to this page and clicking the "How to View Your Enrollment Category" link: sjsu.edu/supportedinstruction/first-year-course-placement/math-quantitative-reasoning

Precalculus Proficiency Assessment

If your major requires calculus, you will be required to take the Precalculus Proficiency Assessment (PPA) unless:

- **You have earned a three or better on the AP Precalculus Exam or an AP Calculus Exam.**
  (Request to have the appropriate testing agency send your official score report to SJSU as soon as it is available.))

-OR-

- **You have earned a "C-" or better in a transferable Pre-Calculus level course at a community college.**
  (Send us your official transcript reflecting this work as soon as possible.)

To learn more about the PPA or register for the exam, please visit sjsu.edu/testing/services-offered/ppa.php

Students requesting testing accommodations due to disability limitation(s) must register with the Accessible Education Center at least one month prior to testing. Register online at sjsu.edu/aec

For details, exemptions, and other criteria visit sjsu.edu/math/calculus

If you took the Calculus AP exam in high school and have not yet sent us your scores, please contact the Testing Office at testing-office@sjsu.edu to determine your next steps.

If you feel that your assigned mathematics enrollment category is not accurate, you may submit an appeal. For your appeal to have merit, it must bring to light new or missing information that was not considered in the original determination. Transfer coursework submitted after the transcript deadline or test scores sent after the official test score deadline are the basis for an appeal. To initiate an appeal, send an email to supportedinstruction@sjsu.edu with the subject line, "Math Enrollment Category Appeal." Be sure to include your full name and SJSU ID number.

California Residency for Tuition Purposes

The determination of residency for tuition purposes affects whether a student pays in-state or out-of-state tuition fees. Out-of-state tuition fees are higher than in-state tuition fees. Just because a student is or has been a resident of the State of California does not mean that he or she qualifies to receive the in-state tuition rate. Certain requirements, established under California law, must be met.

Visit the California State University site for additional information regarding residency www2.calstate.edu/apply/california-residency-for-tuition-purposes/Pages/default.aspx

In-state Tuition for Certain Non-residents of California (AB 540 provisions)

If you attended high school in California for at least three full years and graduated or earned an equivalent degree, you may be eligible for resident (in-state) tuition. You must file an affidavit (calstate.edu/attend/student-services/resources-for-undocumented-students/financial-aid/Documents/csu-ca-nonresident-tuition-exemption-request-form.pdf) with SJSU. You will need to show proof of attendance and graduation.

For more information visit sjsu.edu/admissions/residency

Veterans and veteran/ military-connected students

Make sure you have your DD214 Member 4 or Certificate of Eligibility, whichever is applicable. For more information, Please visit the VRC "How to Apply" page on the Veterans Resource Center website at sjsu.edu/veterans/how-to-apply

Installment Payment Plans

The university offers payment plans to assist students and their families in making their payments over a period of time. Two payment plans are offered for the fall and spring semesters:

- Tuition and fees payment plan
- Housing payment plan

Students may sign up for both plans if needed and each payment plan has a $35 fee. The initial payment includes campus mandatory fees, optional SIRF fee, First Day Solutions charges, and miscellaneous class fees. These fees must be paid by your payment due date and are not included in the installments.

Eligible charges that can be divided into installment payments include tuition fees, non-California resident fees, and graduate professional business program fees. A student must have a minimum of $1,000 in eligible charges to qualify for the payment plan.

Visit sjsu.edu/bursar/payment-refunds/installment-payment-plan for more information.

A few courses have additional field trip fees ranging from $11 to $52.

Special or Optional Fees

Parking permits are available for students. A daily one–semester parking permit is estimated at $228.

For example, if you are making a registration payment and you have a housing debt with an earlier due date, the payment will apply to the housing charges first. Keep your account current to avoid the possibility of enrollment cancellation.

Any delinquent outstanding charges owed to the university will be submitted to the Franchise Tax Board for tax refund offset. The university, or its agent, has the right to pursue collections in order to repay a delinquent debt owed to the university.

Financial Aid

Free Application for Federal Student Aid (FAFSA)

To help cover the cost of attending SJSU, you can apply for financial aid, which is provided in the form of federal grants, state grants, work-study, and loans.

Student Code of Conduct

Members of SJSU are expected to uphold the community standards and demonstrate academic integrity, accountability for one's actions, respect for oneself and one's community, and personal development. It is, therefore, important that students familiarize themselves with the Student Conduct Code and Academic Integrity Policy for which they are accountable. This information can be found in the SJSU university catalog and schedule of classes at sjsu.edu/studentconduct/policies.php

Students with Disabilities

The Accessible Education Center (AEC) provides academically related accommodations and services for students with disabilities. To qualify, students must complete an AEC application and meet with an AEC Counselor. A wide spectrum of accommodations/services/auxiliary aides are available to students based on individual needs. Accommodations include, but are not limited to: consideration for priority registration, note takers, sign language interpreters/captioners, test accommodations, academic counseling, disability management and assistive technology training.

Students can register with the AEC anytime during the semester; however, it is recommended students provide the AEC with disability verification as soon as possible to assist them. Visit AEC's website (sjsu.edu/aec) for more information.

Non-Discrimination Policy

Statement of Nondiscrimination

The California State University (CSU) is committed to maintaining an inclusive community that values diversity and fosters tolerance and mutual respect. CSU does not discriminate on the basis of sex or gender, which includes gender identity (including transgender), gender expression, sexual orientation or sex stereotype in its education programs or activities. Title IX of the Education Amendments of 1972, and certain other federal and state laws, prohibit discrimination on the basis of sex or gender or sexual orientation in employment, as well as in all education programs and activities operated by the University (both on and off-campus). The protection against discrimination on the basis of gender or sexual orientation includes sexual harassment, sexual misconduct, and dating and domestic violence, and stalking.

The Office for Civil Rights and Title IX is responsible for addressing reports of discrimination, harassment, and retaliation, as described above.

Your admission is provisional and based on the information you shared in your application. To clear your provisions, you must continue to meet all requirements and submit official transcripts for verification.

This offer is for Fall 2027 and for the major in your admission letter only. It can't be deferred or changed before the term starts.

Mandatory Steps to Enrollment

☐ **You must sign in to nextsteps.sjsu.edu and notify us of your Intent to Enroll by the date posted to your MySJSU To Do List.**

1. Indicate through the Intent to Enroll link that you accept SJSU's offer of provisional admission.
2. Sign up for SJSU's mandatory orientation.
3. Pay the $250 nonrefundable orientation fee

Within three business days, an email confirmation will be sent to you from the nextsteps@sjsu.edu email address. Please contact nextsteps@sjsu.edu before the deadline if you encounter any obstacles to completing these steps.

☐ **Sign up for university housing (optional)**

Sign up for university housing, including Spartan Village on the Paseo and the International House, at sjsu.edu/housing

☐ **Meet math enrollment requirements**

Your math enrollment requirement will depend on your major, completed mathematics coursework, test scores, and other factors. Although SAT and ACT scores are not used for admission review, they may be used to help identify options for your first math course. You are encouraged (but not required) to submit them if you have them.

If you have any questions about your math enrollment options, contact an advisor in your college's Student Success (Advising) Center by visiting sjsu.edu/advising/advising-hub/student-success-centers

☐ **Complete the College Writing Exercise - Reflection on College Writing**

The Reflection on College Writing (RCW) allows you to preview the reading and writing you will do at SJSU, and to find the writing courses you need. All first-time, first-year students admitted to SJSU complete the RCW as part of the transition to college reading and writing. Check your MySJSU messages for information about how to access and complete this requirement.

For information about this requirement, visit our website at sjsu.edu/english/frosh

If you have questions, email directedselfplacement@sjsu.edu

If you do not attend or leave during any portion of orientation, you will not be able to attend SJSU in Fall 2027.

☐ **Meet the CSU minimum requirements for first-time, first-year student admission**

Your official final transcript(s) must show that you meet current impaction criteria and CSU first-time, first-year student admission requirements to pass final verification. Failure to pass final verification will result in your admission being revoked.

To ensure your provisional admission passes final verification, make sure your official final transcript meets the following criteria:

- Completion of all of your "a-g" college preparatory coursework with a grade of "C-" or better by the end of Spring 2027.
- Confirm you have a minimum high school GPA of 2.50 (California Resident) or 3.0 (Nonresident of California).

Make sure to send your official final transcript(s), including Spring 2027 grades, by July 15, 2027. If they are not received by the deadline, your admission will be withdrawn.

In addition, if you have completed courses at a community college, please order official transcripts to be sent to SJSU by July 15, 2027.

☐ **Meet immunization/vaccination requirements**

Meet immunization requirements which can be found at sjsu.edu/immunization

☐ **Monitor MySJSU to avoid the cancellation of your admission**

Check MySJSU frequently for updates to your status, important messages, and invitations to upcoming events. You are responsible for compliance with all deadlines posted on MySJSU. Failure to do so may result in your application or admission being withdrawn even if you have signed up for housing, attended orientation, or registered for Fall 2027 classes.
